Thankfully, the weather was kind for the 2<sup>nd</sup> race of the Westfield Aquathon Series 2018, and we saw some great performances from both the juniors and the seniors. Notable junior performances from Gethin French, Maia Howell, Toby Marshall, and Eddie Fitzpatrick who all came first in their category. In the senior race, Sarah Harrison was first female over the line beating the first male, Will Bealby, by 44 secs. So well done to everyone who took part in and a big thank you to all the people who gave up their time to help. See you all at the next one!
